CST Trust Company (CST) wants to ensure that you are aware of the Bank of Canada's recent announcement regarding a number of changes to its published foreign exchange rates.

One of the key changes important to dividend paying issuers offering multiple currencies is that the Bank of Canada will no longer (effective March 1, 2017) publish a noon and closing exchange rate. Rather, the Bank of Canada will publish a single rate at 16:30 Eastern Time.

[Click here](#) for more information and an overview of all the changes which will take effect on March 1, 2017.
